aspergers and their families, and professionals.***

Services Provided by ABC

ABC Mission

Applied Behavioral Concepts is a non-profit agency that was founded in 1999. ABC provides a wide range of services for individuals with autism spectrum disorders, their families, and the community. ABC is dedicated to providing high quality trainings and services based on the principles of Applied Behavior Analysis.

Specialized ABA programming at school

Recreational & independent skills at home

- ◇ **Professional and staff trainings:** Providing training to professionals on topics related to educating individuals with autism such as Applied Behavior Analysis, verbal behavior, discrete trial instruction, activity schedules, behavior management and more.
- ◇ **Parent & Family Trainings:** Providing training to parents and families on topics such as crisis management, behavior management, and community integration.
- ◇ **Workshops:** Providing workshops to professionals and other community members on autism, Applied Behavior Analysis, increasing and decreasing behaviors, ABA in the classroom, and other topics.
- ◇ **School-based services:** Consultations to ABA programs, direct training for staff on the principles and teaching methods of ABA, curricular and classroom adaptation, program development, program evaluations, behavior observations, and other services.
- ◇ **Home-based services:** Providing 1:1 ABA therapy, home consultations and coordination of services, behavior observations, IEP consultations, increasing communication in the home and more.
- ◇ **Community-based services:** Providing after school, Saturday, and extended year community integration programs. ABC also provides 1:1 ABA therapy on site during the day and after school.
- ◇ **Job Coaching/Vocational Training:** Providing services geared towards the vocational development of adolescent and adult learners. Job coaches can assist in the training and supervision at a job placement.
- ◇ **Behavior Management:** Functional Behavior Assessment, functional communication training, and the development of positive behavior support plans.
